[@mahamarwabourada@gmail.com](mailto:mahamarwabourada@gmail.com)

Passionate about **designing accessible web applications**, I turn complex ideas into **high-performing, secure interfaces** compliant with **RGAA standards**, producing **clean** and **maintainable code** whether working fully **independently** or as part of a **team**. My **rigor** and **analytical mindset** make the difference over time.

Education

Master's degree in Technologies and Disabilities

Paris 8 University — Sep 2024 - Today

Master's degree in Software Engineering and Intelligent Systems

Abdelhamid Mehri University — Sep 2023 - Jun 2024
